

Fallbrook Driving School

Driving a car is a complex and dangerous activity, which if not performed skillfully and safely, can have tragic consequences. We at West Coast Driving School are here to assist in your journey to becoming skilled in the fundamentals of car control and defensive driving. Our lessons are structured to progress a novice driver from simple to complex skills while developing proficiency and confidence. Our mission is to help you reach your goal of earning a driving license and through practice and experience, develop into a safe and skillful road user. We also strive to be professional, courteous, and helpful from initial contact, throughout the duration of lessons, and continuing after completion of our program.
